BRACELET INSTRUCTIONS	PICTURES
<p>Cut CORD to size. Bracelet cord length is wrist length + 2 inches. For larger bracelet about 9.5" and For smaller bracelet about 8.5" cord length.</p> <p>Put about 1" of cord through the END CAP so the cord lays in between the opening of the end cap.</p>	
<p>Put the JUMP RING onto the short piece of cord connected to the end cap.</p> <p>Loop the end of the short piece of cord into the opening of the end cap. Crimp the end cap to hold the cord.</p>	
<ul style="list-style-type: none"> • Start adding the plain beads; could be 3-6 depending on the name. • Add beads with the letters "Y T B". • Add 3-6 more plain beads. • Add letters for name, then 3-6 more plain beads. 	
<p>Add the other end cap in the same way as the first. Position the second end cap so that it almost touches the plain beads. Repeat what you did for the first end cap. Crimp the second end cap to hold the cord.</p> <p>To add the toggle clasps, twist the jump rings to open. Slip the tiny ring connected to the toggle clasp onto the jump ring. Twist the jump ring back to close the ring.</p> <p>Twist jump ring to open rather than pulling the ring open.</p>
